PROJECTS

This slide features a map of Romania with three yellow dots indicating project locations: Dumeni in the north, Dor Mărunt in the east, and Sărulești in the south. A black line connects these dots. To the right of the map is a vertical stack of four photographs: a wooden frame structure, a pink architectural model, a wooden frame structure, and a person working on a wooden table. The Arhipera logo is at the top right, and the Fundația Soros România logo is at the bottom right. The word 'PROJECTS' is centered at the bottom. A stylized triangle logo is in the bottom left corner.

PROJECTS

This slide features a map of Romania with four yellow dots indicating project locations: Dumeni in the north, București in the center, Dor Mărunt in the east, and Sărulești in the south. A black line connects these dots. To the right of the map is a vertical stack of four photographs: a wooden frame structure, an interior view of a colorful space, a wooden frame structure, and a person working on a wooden table. The Arhipera logo is at the top right, and the Fundația Soros România logo is at the bottom right. The word 'PROJECTS' is centered at the bottom. A stylized triangle logo is in the bottom left corner.
